Dear Parents/Carers,

We are delighted to let you know that your child was fantastic yesterday afternoon while taking part in this year's exciting community performance in partnership with Neston High School.

This is a reminder that Grease the musical performance will be performed at The Floral Pavilion Theatre, New Brighton, on Monday 26th January 2026. Please note that your child will only be performing in the 4.30pm show so do not purchase tickets for the later performance. Parents can collect their child from school on the day at 2.30pm and should arrive at The Floral Pavilion at 3.30pm for a practice rehearsal.

Tickets are now on sale from The Floral Pavilion box office and online. Pupils taking part do not need a ticket but if you want to watch the performance, you will need to purchase tickets. These are expected to sell quickly, so we encourage you to purchase early to avoid disappointment.

We are asking for you to provide your own costumes for the performance in the style of the iconic 1950's show, please do not feel the need to go out and buy costumes, please make it work with what you have at home.
